Tel: +1 (770) 949-5861 - Fax: +1(770) 949-4566

IASH is the foremost international organization devoted to all aspects of the stability, handling, and use of liquid fuels from refinery to end use and disposal. IASH fulfills its mission by promoting research and experimentation on the scientific and operational factors affecting the stability and handling of fuels during their manufacture, blending, transportation and storage, by using volunteers drawn from a cross-section of government, academia and industry.

IASH Sustaining Members:

Air BP, ConocoPhillips, ExxonMobil, Fuel Quality Services, Parker, Petrobras, Pratt & Whitney, Shell Aviation, US Air Force, US DESC, US Naval Fuels & Lubes CFT

IASH Supporting Members:

Chevron, ECHA Microbiology, FAA, Flint Hills Resources, GE Aviation, Innospec and Intertek
