

THE CHEVRON RESEARCH AWARD OF EXCELLENCE IN HONOR OF JOHN BACHA

INSTRUCTIONS FOR MANUSCRIPT PREPARATION

Electronic Submission

Your manuscript must be submitted in Microsoft Word format, either by email or on electronic media readable by a Windows-compatible computer. **Do not submit papers in Adobe PDF.**

Manuscripts are due no later than **17 April 2026**. Please forward your completed manuscript via email to Mark Romanczyk at mark.romanczyk.civ@us.navy.mil and Darnette Holbert at dholtbert@iash.net.

Manuscript Preparation

- **NEW!** A ten-page limit will be imposed on the submitted manuscripts, excluding figures, tables, references and the abstract title page.
- Submissions must be complete with clearly identified sections in **BOLD CAPITAL LETTERS** that include an Abstract (one paragraph), Results and Discussion, Conclusions, Acknowledgements (if applicable), and References.
- Manuscripts will be prepared in Times New Roman 12 pt. font, single spaced or at 1.15 spacing.
- Set the margins as follows: Top and Bottom – 1" & Left and Right – 1". Do not use multiple columns in your manuscript. The size of each page should adhere to the 8-1/2" x 11" paper size used in the United States.
- Papers must have a header, on the first page only, following the example given below. This should be 0.5 inch (1.27 cm) below the top of the page.
- Type the Title of the manuscript in **BOLD CAPITAL LETTERS**, left justified on page, and set it four spaces below the header. Insert two spaces and follow with the Authors' names (first name, middle initial, last name). Insert two spaces and type the affiliation, business addresses, Zip or Postal Codes, and E-mail addresses. Reference authors' affiliations with numbers in superscript beside each author's name, and in front of their addresses.
- In order to help with indexing the proceedings, please include a list of keywords in your manuscript, below the Abstract.
- Color tables and photographs are acceptable and should be included in the manuscript and numbered consecutively.
- Abbreviations should be unambiguous and defined at their first usage in the document.

- Literature citations and notes must be numbered in one consecutive series by order of mention in the text. Reference numbers in the text are to be given as superscripts without parentheses. The references and notes should be typed in a list at the end of the manuscript.
- Number pages starting with the second page, centering the page number at the bottom of the page.

Copyrights

The International Association for Stability, Handling and Use of Liquid Fuels does not retain copyright to papers published in its conference proceedings.

ABSTRACT

Leave one blank line between title, authors' names and addresses. Leave two blank lines between addresses and a brief abstract. The name of the author to whom inquiries about the paper should be sent should be marked with an underline. A footnote giving this author's complete mailing and e-mail address should be included if this address differs from that contained in the heading of the paper.
